

CITY OF MOULTON

P. O. Box 369
Moulton, Texas 77975
(361) 596-4621
Fax: (361) 596-7075

For a person requesting utilities to be turned on by the City of Moulton the following is required:

1.) A photo I.D. from the person (s) requesting utilities to be turned on or changed into his/her name and a copy of their social security number is required. If failure to disclose social security number an additional fee of \$150.00 is required.

2.) A (\$250.00) Electric meter deposit to have electricity turned on or changed into the requesting person's name.

A (\$50.00) Water meter deposit to have water service turned on or changed into the requesting person's name.

Meter deposits will not be refunded until final bill is paid in full. Meter deposits may be used toward the final bill and if any deposit remains a refund check will be issued.

In the event a customer is moving to another location where utilities are provided by the City of Moulton, a new meter deposit will be required for the services. You may not transfer deposits from one location to the other. Deposits must be held on both places. When the old account is paid in full, either by using the deposit to pay the account or by paying the account in full, can the balance of the meter deposit on the old account be refunded.

If the city receives an insufficient check for any 2 billing periods in a 12 month period you will be put on a cash only payment for 12 months.
